TTT TWIN TASTE TECH

ROTATING PLATE

BREW GROUP

POWER BOOST

EASY DRY

Description

The Atlante is the perfect solution for medium to large locations. Thanks to the award-winning Rotating Plate design, both maintenance and service of the Atlante are accessed through the front door simply by turning the plate. This freestanding unit is highly efficient, offers 32 different gourmet coffee drink options from bean and ground coffee.

It is equipped with the new Saeco TwinTasteTech brewing unit that allows the dispensing of both paperless fresh brew coffee and espresso coffee without any software or mechanical presetting. The product can be selected by simply pressing a button on the direct access keypad.
